Human Above everything

For those who say health cannot be without sports...

Jogging trails in the greenery,

Swimming pools, both indoor and outdoor

A project focused on “**Human above everything**” with swimming pools. Milpark Plus.

Don't be worrying yourself.

Milpark is constructed with first class construction materials complying with the earthquake regulations as a result of awareness that not earthquake but buildings injure people.

A special project which will keep you and your loved ones under safety takes you under protection against earthquakes. Earthquake proofing is increased further with applications supported by the latest technology such as bored piling equipments and raft foundation.

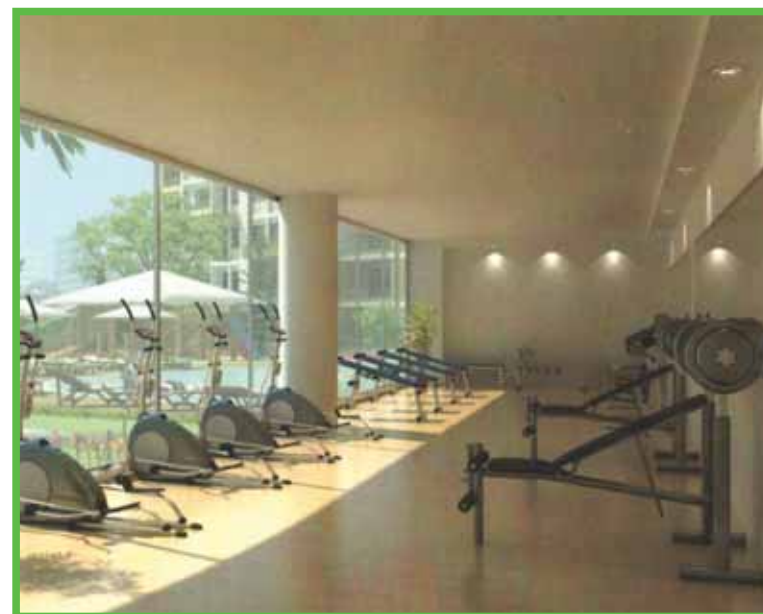

Privately with nature in the city.

We know that green spaces at where you want to play with your children has fallen short and traffic jam and housing in the city wear you out...

Now, we have a special offer for you:

Milpark that has been built under the warranty of Deira Construction Inc. will offer you to be alone together with nature in the city.

A place where you will be able to find peace, far from noise, stress-free and you will feel that you live and say

“This is the life”

A pleasant life offering many different opportunities of activities at where nature will embrace you thanks to the carefully-thought landscape in detail.

Home in your dreams... the place you look for your future.

6

An original design that will meet you with the home in your dreams and add a new dimension to your understanding of life is rapidly rising. An opportunity that cannot be let pass you by for those who split hair, know the value of their money and want to secure their future. Milpark is not just today's but also future's investment...

Milpark offering different options according to everyone, every taste and every budget will be your new address.
